

Paying for College

When applying for financial aid remember:

1. Apply! You are guaranteed to get nothing if you don't apply.
2. Avoid the scams. Never pay for assistance.
3. To get federal, state, and institution aid, as well as, some scholarships, you will need to complete the Free Application for Federal Student Aid (FAFSA) or the Texas Application for State Financial Aid (TASFA).
4. The college you attend will be in charge of awarding you financial aid.
5. Deadlines matter! Submit your forms early to get the best financial aid package you can.
